

INFORMATION MESSAGE No. 1

**Industrial Development Committee of the MIC RK
RSE " National Center on Complex Processing of Mineral Raw Materials of the
Republic of Kazakhstan"**

on November 1-4, 2023 will held

the International Scientific and Practical Conference
**"INNOVATIONS AND COMPLEX PROCESSING OF MINERAL RAW
MATERIALS ARE ACTUAL COMPONENTS OF ECONOMIC DIVERSIFICATION",
dedicated to the 30th anniversary of RSE "NC CPMRM RK"**

Conference venue: Almaty

The purpose of the conference: to discuss the conceptual issues of complex processing of mineral raw materials in the light of modern priorities of the state scientific and technological policy, designed to ensure the modernization of national economy

Organizing Committee of the Conference:

Chairman – is being agreed.

Co-chairman – Zharmenov A.A., General Director of RSE "NC CPMRM RK", Academician of NAS RK, Doctor of Technical Sciences, Professor (Almaty, Kazakhstan)

Deputy Chairman – Terlikbayeva A.Zh., First Deputy General Director of RSE "NC CPMRM RK", Academician of the IAMR, Doctor of Technical Sciences (Almaty, Kazakhstan)

Chairman of the Round Table is being agreed.

The Co-Chair of the Round Table is being agreed.

Chairman of Section 1 is being agreed.

Co-Chair of Section 1 - Baisanov S.O., Director of the RSE "NC CPMRM RK" "Chemical and Metallurgical Institute n.a. Zh.Abishev" branch, Academician of KazNANS, Doctor of Technical Sciences, Professor (Karaganda, Kazakhstan)

Chairman of Section 2 is being agreed.

Co-Chair of Section 2 - Shamganova L.S., Head of Geomechanics Department of the RSE "NC CPMRM RK" "Mining Institute n.a. D.A. Kunayev" branch, Corresponding Member of NAS RK, Doctor of Technical Sciences (Almaty, Kazakhstan)

Chairman of Section 3 is being agreed.

Co-chair of Section 3 – Ananin A.I., Deputy Director of science of the RSE "NC CPMRM RK" VNIItsvetmet branch, Academician of IIA, corresponding member of IEA, Candidate of Technical Sciences (Ust-Kamenogorsk, Kazakhstan)

Scientific Secretary – Yefremova S.V., Head Scientific Secretary of RSE "NC CPMRM RK", Doctor of Technical Sciences, Professor (Almaty, Kazakhstan)

Members of the organizing committee:

Abdibekov N.K., Director of the Development of Scientific Competencies Department of RSE "NC CPMRM RK", Candidate of Technical Sciences (Astana, Kazakhstan)

Aitkulov B.D., Task Force Project Manager, JSC NC KAZAKH INVEST, Candidate of Technical Sciences (Astana, Kazakhstan)

Assemov K.M., Managing Director of RSE "NC CPMRM RK" (Almaty, Kazakhstan)

Babenko A.A., Chief Researcher of Institute of Metallurgy, Ural Branch of RAS, Doctor of Technical Sciences (Yekaterinburg, Russia)

Başçetin Ataç, Mining Engineering Department Professor of Mining Faculty, Istanbul Technical University, Doctor of Sciences, Professor (Istanbul, Turkey)

Buktukov N.S., Director of the RSE "NC CPMRM RK" "Mining Institute n.a. D.A. Kunayev" branch, Academician of NAS RK, Doctor of Technical Sciences, Professor (Almaty, Kazakhstan)

Gaishun V.E., Head of Problematic Research Institute of the Advanced Materials, Gomel State University named after F.Skariny, Ph.D., Associate Professor (Gomel, Belarus)

Grigorovich K.V., Head of Laboratory of "Institute of Metallurgy and Materials Science n.a. A.A.Baykov of RAS, Academician of RAS, Doctor of Technical Sciences, Professor (Moscow, Russia)

Zhuchkov V.I., Lead Researcher of Institute of Metallurgy, Ural Branch of RAS, Doctor of Technical Sciences, Professor (Yekaterinburg, Russia)

Zayakin O.V., Head of the Laboratory of Institute of Metallurgy, Ural Branch of RAS, Doctor of Technical Sciences, Corresponding Member of RAS (Yekaterinburg, Russia)

Karimov K.A., Scientific Council Chairman for Awarding Academic Degrees, Professor of the Theoretical Mechanics, Theory of Mechanisms and Machines Department, Tashkent State Technical University n.a. I. Karimov, Doctor of Technical Sciences, Professor (Tashkent, Uzbekistan)

Kovalenko D.L., Dean of Physics and Information Technologies Faculty, Gomel State University n.a. F. Skaryna, Candidate of Physical and Mathematical Sciences, Associate Professor (Gomel, Belarus)

Kozhogulov K.Ch., Director of Institute of Geomechanics and Subsoil Development of NAS KR, Academician of NAS KR, Doctor of Technical Sciences, Professor (Bishkek, Kyrgyzstan)

Leontiev L.I., Editor-in-chief of "News of higher educational institutions. Ferrous Metallurgy" Journal, Academician of RAS, Doctor of Technical Sciences, Professor (Moscow, Russia)

Mogi Gento, Deputy Director of MbSC2030 (Saudi Center), Joint-Chair, Presidential Endowed Chair for Global Solar+ Initiative, Institute for Innovation in International Engineering Education (concurrently), Department of Technology Management for Innovation, School of Engineering, The University of Tokyo, Doctor of Engineering Sciences, Professor (Tokyo, Japan)

Musingwini Cuthbert, Professor and Head of School (SAIMM Past President), School of Mining Engineering, University of PhD, Professor (Johannesburg, South Africa)

Roshchin V.E., Head of the Pyrometallurgical Processes Department, South Ural State University, Doctor of Technical Sciences, Professor, Honored Scientist of Russian Federation, Honorary Metallurgist of the Russian Federation (Chelyabinsk, Russia)

Sarmurzina R.G., Chairman of the Council of the Association of Producers and Consumers of Petrochemical Products, Doctor of Chemical Sciences, Professor, Academician of KazNANS (Astana, Kazakhstan)

Satbayev B.N., Director of the RSE "NC CPMRM RK" Astana branch, Doctor of Technical Sciences, Professor (Astana, Kazakhstan)

Startsev I.V., Director of the RSE "NC CPMRM RK" Vniitsvetmet branch (Ust-Kamenogorsk, Kazakhstan)

Turakhodjaev N.D., Head of the Foundry Technologies Department, Tashkent State Technical University n.a. I. Karimov, Doctor of Technical Sciences, Professor (Tashkent, Uzbekistan)

Chirchikbayev B.A., Chief Executive Officer of JSC "NMC "Tau-Ken Samruk" (Astana, Kazakhstan)

Shalgymbayev S.T., Director of the RSE "NC CPMRM RK" Kazmekhanobr SSPAIE branch, Candidate of Chemical Sciences (Almaty, Kazakhstan)

Shevko V.M., Head of the Research Laboratory "Perspective Metallurgical Technologies", Professor of the Technologies of Silicates and Metallurgy Department, M. Auezov SKU, Doctor of Technical Sciences, Professor (Shymkent, Kazakhstan)

Conference topics:

Round table "Integration of science and industry. Actual problems" is being agreed.

Section 1. Commercialization of the results of scientific and technical activities is a priority of the New Kazakhstan.

Section 2. Industry 4.0 is in the mineral resource complex.

Section 3. New technologies of extraction and processing of mineral raw materials.

The official languages of the conference are Kazakh, Russian, and English.

The format of participation in the conference provides for full-time oral and correspondence (publication) reports.

Application for participation:

The application for participation includes a filling and sending registration form indicating the full name, academic degree, academic title, position, place of work, contact details (email address, mobile phone) of speaker, the topic of report, the section name to E-mail: 30cmrp@gmail.com or online by the link <http://cmrp.kz/index.php/en/innovations-en/registration> until September 25, 2023. It is necessary to specify in the registration form the details of co-authors who are planning a visit to the conference.

Preparation and presentation of abstracts:

Abstracts of report (2 pages) are drawn up on a sheet of A4 format, Times New Roman font, size 12, line spacing – single, margins: upper, lower, right – 2 cm, left – 3 cm, paragraph indentation – 1 cm.
